If you were over the age of 18 on May 13, 2017, and wish to file a claim form, visit www.EquifaxBreachSettlement.com. Do not use this claim form.

Credit Monitoring: Free Service or Cash Payment

You may be eligible to receive free credit monitoring or up to \$125 if you already have credit monitoring.

An Impacted Minor can receive free monitoring services provided by Experian for at least four years. **While an Impacted Minor is under the age of 18, the services will be child monitoring services.** Once an Impacted Minor has turned 18, the services will be the same three-bureau monitoring at all three national credit agencies (Equifax, Experian, and TransUnion) offered to adults. An Impacted Minor can also receive free monitoring services provided by Equifax for up to fourteen years after the Experian service ends. Again, while an Impacted Minor is under the age of 18, the services will be child monitoring services tailored to minors. Once an Impacted Minor has turned 18, the services would be the same single-bureau monitoring offered to adults.

Or, if the Impacted Minor has credit monitoring services that the Impacted Minor will keep for at least six months, you can request a cash payment of \$125.

Please select either Option 1 or Option 2 below, but not both.

- Option 1, Credit Monitoring:** I want to receive free, three-bureau credit monitoring for myself or my child.

If you select this option, you will be sent instructions and an activation code after the settlement is final to your email address or home address. You won't be "upsold" any services by enrolling or otherwise asked to submit any payment for these services now or in the future.

If You selected Option 1, would you like to sign-up for Equifax's free, one-bureau credit monitoring service for up to 14 more years after the initial, three-bureau credit monitoring services expire?

- Yes.

If you select "yes" for this option, you will be sent instructions to your email address or your home address before your three-bureau credit monitoring expires. You won't be "upsold" any services by enrolling or otherwise asked to submit any payment for these services now or in the future.

- Option 2, Cash Payment:** I want a cash payment of \$125. I certify that I have credit monitoring for myself or my child and will have it for at least 6 months from today.

If you select this option, you cannot also enroll in the free, three-bureau credit monitoring service offered through this Settlement.

Cash Payment: Time Spent

If you or your child spent time trying to recover from fraud or identity theft caused by the data breach, or if you spent time trying to avoid fraud or identity theft because of the data breach (placing or removing credit freezes on your credit files or purchasing credit monitoring services), complete the chart below. You can be compensated \$25 per hour for up to 20 hours.

If you claim **10 hours or less**, you **must** describe the actions you took in response to the data breach and the time each action took.

If you claim **more than 10 hours total**, you **must** describe the actions you took in response to the data breach *and* include supporting documents showing fraud, identity theft, or other misuse of your personal information.

By filling out the boxes below, you are certifying that the time you spent doesn't relate to other data breaches.

Cash Payment: Money You Lost or Spent

If you or your child lost or spent money trying to prevent or recover from fraud or identity theft caused by the Equifax data breach and have not been reimbursed for that money, you can receive reimbursement for up to \$20,000 total.

It is important for you to send documents that show what happened and how much you lost or spent, so that you can be repaid (except for money you may have spent on Equifax subscription products as explained below). If they are the same as the documents you attached in the section above, you do not need to send them again.
